**Greetings And Warm Wishes From St Ursula !**

**" Because of the LORD's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness. "**

**Lamentations 3:22,23**

With a grateful heart I praise our Lord Almighty, who has lovingly sustained all of us during this pandemic of COVID - 19. While the whole world is reeling under this pandemic, we at Ursula are full of hope and faith in the Almighty God. As March approached this year, we started planning for the new academic session 2020-21. But as rightly said in the Bible, Man proposes God Disposes, as He has greater plans for us. I say so because during the lockdowns, He not only kept us safe but also gave us time to reunite with our faith & family, to relive your passions and hobbies, to re-connect with old friends and to untie few knots in our lives.

Even when the whole world was in a standstill, we at St. Ursula made sure that Education should not be under lockdown. The Institution's priority and main concern are our dear students. So, we geared up from the month of April, planning to reach out and provide education to each and every student in the comfort of their homes. We connected with our students through the digital platforms and formed class-wise Whatsapp groups. Our teachers went an extra mile as the paradigm shifted from the chalk and duster to digitalization. They prepared interesting study videos based on the students curriculum and gave them regular assignments. We will continue with our tireless efforts till the end of these trying times. I hope that the parents are extremely happy, and will be cooperating with the school and keep encouraging their children to study. We pray for your love and compassion to abound.

**As we walk through this challenging season.  
We ask for wisdom for those who bear the load  
Of making decisions with widespread consequences.  
We pray for those who are suffering with sickness  
And all who are caring for them.  
We ask for the protection of elderly and vulnerable  
To not succumb to the risk of the Virus.  
We pray for misinformation to be curbed  
That fear may take no hold in hearts and minds.  
As we exercise the good sense, that you in your mercy provide  
May we also approach each day , in faith and peace  
Trusting in the truth of your goodness towards us.**

With prayers and blessings,

Mrs. Rachna Singh

यह मत कहो खुदा से, मेरी मुश्किलें बड़ी हैं

इन मुश्किलों से कह दो मेरा खुदा बड़ा है

These lines itself indicate that our Life is not always going to be smooth or untroubled. There are going to be problems and difficulties, but our Almighty God is so colossal and powerful, that He will always be there to guide us and show us the right path.

So it is our responsibility to follow the right way of living disciplining ourselves. Dear students, do not panic but be productive instead. Study regularly and development new hobbies during this lockdown period. We will definitely overcome this situation and our life will be as beautiful and serene as before. So do not lose hope. Be positive! Stay home. Stay Safe!

*Jr. Supervisor - Mrs. Meenakshi Dongre*

Warm wishes to my dear children and parents. It's indeed a pleasure to share my views with you after a long time. Friends life is precious; love, cherish and treasure it. But life is also a challenge full of ups and downs. Thank God for keeping us safe during pandemic and I pray to Him to bless us with his wisdom, patience and strength to face this difficult situation.

As every dark cloud has a silver lining, this time will also pass. And we all will see our friends and loved ones once again. Have faith in God and abide by the rules set for us. Learn to face all the obstacles in life and not to worry about tomorrow. We survived yesterday. We are alive and dealing with today. With God's help, we can face tomorrow and whatever may come our way. Stay home. Stay Safe!

*Jr. College Supervisor - Mrs. Alka Tayade*

Dear Parent and students, we have come thus far by the grace of our God Almighty. No matter what the situation is, we should keep up the good work, without any expectations. As the saying goes, "Do good to others, it will come back to you in unexpected ways." A small boy worked as an apprentice in a bicycle shop. A man sent a bicycle for repair. After repairing the bicycle, this boy cleaned up the bicycle and it looked like a new one. Other apprentices laughed at him for doing redundant work. The second day after the owner claimed the bicycle back, this boy was offered a job.

**Moral of the story:**

1. Go the extra mile to be successful.
2. Doing more gains more and doing less loses more.
