“Panorama” - Geography Fest**Foreword by Head of Department of Geography****CAREER OPPORTUNITIES IN GEOGRAPHY**

Dear Children,

When you think of Geography, what comes to mind ?
Memorizing maps and capitals ?
That's not all geography is !

It's actually much more. Geography is all about connections of human with spaces & places. Geography seeks to understand how physical landscapes, shape human history.

Today, I would like to throw light on the job opportunities in the field of Earth Sciences. Geography being a part of Earth Science offers myriad job opportunities. Learning of Geography is getting much significance due to its wide opportunities both in job as well as in Education.

Geography play a key role in contemporary world, many companies, Government and Non-Government organizations needs to take key decisions regarding 'Location'. In this regard, Geographers with applied skills can find a variety of career opportunities as Geographic Information System (G.I.S.) experts, as social and political analysts, cultural critics. The major sectors where a Geographer can prove his talents and efficiency include, Urban Planner GIS Specialist, Cartographer, climatologist, environmental management, teaching demographer, librarian and many more.

So My Dear Students,

With your quest for knowledge exploration, you can achieve great heights and carve out a good career.

At the end of the day, Geography will help you become a better overall global citizen.

ACTIVITIES DONE BY HISTORY DEPARTMENT IN THE MONTH OF FEBRUARY

Glorious Past of St. Ursula

St. Ursula is not a school but a movement, which has a 163 years old magnificent history. To instill the feeling of pride, love and respect for the school, the History Department had conducted an online activity “Glorious past of St. Ursula”. A PPT comprising of detailed information of the journey of the school since 1857 was forwarded to the students that enlightened them about the glorious past of our esteemed school. The students delightfully watched the PPT and solved the questionnaire posted in the Google classroom. This activity made the students familiar and acquainted with the rich past of our institution and also inspired them to keep the flag of our school flying high under the able guidance of our Principal Madam, Mrs. Rachna Singh. The in-charge teachers for this activity were Mrs. Rachana Anand and Mrs. Nilofer Parveen.

163 URSULA GIRLS' HIGH SCHOOL & JUNIOR COLLEGE, MAROLLI

Estb 1857

GLORIOUS PAST OF URSULA

The history of St. Ursula began in the year 1857. The institution was established by Mrs. Margaret Cooper, a Scottish Missionary at the verandah of her bungalow with just few girls, at a time when girls' education was just a vision. It started as first Marathi medium school and later on added English and Hindi medium. It was called "Cooper's School" which was later named as St. Ursula Girls' High School. It works under the prestigious banner of Church of North India (CNI).

The school has been a trend-setter and the first in many fields. Apart from the contribution to the field of education, thousands of girl children have been placed in high profiles and have been serving the society and country, and are even found in the various parts of the globe.

Today, the institution has grown in leaps and bounds by the blessings of God Almighty. The first institution to cater for the underprivileged in three mediums of instructions i.e. English, Hindi,

and Marathi. It has completed more than its 162 years of existence remembering and fulfilling the motto "ARISE SHINE".

Principals of Ursula: After independence, Madam Misal, a lady of substance was the first Indian Principal to head the institution. She was followed by Madam Vatsala Navgi, a Lady of Dignity, Madam Prabha Joseph, a Lady of Humility, Madam Chandraprabha Singh, a Lady of Perseverance, Madam Asha Gaiswad, a lady of talents, and the present Madam Rachana S. Singh, a Lady of Purpose and Vision.

Today under the able leadership of Madam Mrs. Rachana Singh, the school has a total strength of 3,500 students with 39 classrooms in school and 12 classrooms in the college. The College has streams of Commerce, Science, Bifocal (Electronics & Computer Science) & Information Technology.

Infrastructure: The school has two well-equipped science laboratories. "Add Thinking Lab" has been allotted to the school by the Central Government of India to create an environment of scientific temperament, innovation, creativity amongst Indian students, which is a matter of pride. Ashish, Adlene, Agape, Aroma & Mother Teresa wings are dedicated for the devoted

services of imparting knowledge and education. The Adonai Chapel is the power house of St. Ursula, where children before school and after school as well as during recess go & offer the prayers. Adonai, the Hebrew name of Lord, My Master is truly a source of strength & wisdom. "Amaris" (God Given) Auditorium is one of its kind and a wonderful place to showcase the talents of the student. The school has School Gymnasium "Amaziah" (Strength of the Lord) which is equipped with all the modern fitness and workout machines. It has a huge and well-maintained playground with the stadium to enjoy outdoor sports. It also has premises full of huge old tall green trees and flowering plants that add up to its beauty. It also has a library by the name Akina (precious, valuable) consisting of 22 computers with headphones. The children can sit and individually listen and enjoy the stories. It also has a projector and speakers attached to the main computer using which the entire class can listen to the story together. There are over 4000 e-books in the Library. The school has well-equipped two computer labs with around 50 computers with accessibility to internet.

TeachNext (Digital Learning): To promote Digital Learning St. Ursula worked with the School Education and Sports Department Govt. of Maharashtra in pioneering the first Digital learning classroom in the School. This project was started in the year 2013. This project was started under an experiment done by the

Government of Maharashtra for Digital learning program. The School and its management initiated the E-learning to empower the girl students with the latest technology to equip and edify them and to ensure their holistic development. The E-learning Lab was named Teach Next. The Lab was equipped with the latest technology and study videos.

In an effort to equip the children with the latest technology and the best study resource, to enhance their learning experience and to help them understand the concept better interactive smart board, also known as an electronic whiteboard were installed in classes IX & X. This amazing technology not only enhances the way teacher teach, but it also enhances the way student learn.

Torrens: Torrens International Musical Academy was introduced in the school in the 2018 with an objective to fuel the mind of the students with creativity using music. Here the students not only learn the art of singing but also how to play various musical instruments like Guitar, Casio, Drums and Conga.

Tribal Project: In the year 2007-2008, the students sent by the Government under the Central Tribal Project were admitted in the Vth Std in English Medium. It was a great challenge for the teachers since these students residing in remote interior areas of Chandrapur, Gadchiroli, Chimus, Bhanuagadh, Desori and Nagpur had come from Marathi Medium girls. Today, St. Ursula is recognized as a model school for its excellent work for the Government Tribal Project.

Shine Hostel: The hostel had a humble beginning; it first began as an orphanage. It was truly a home away from home. It has always been a blessing for all its inmates, who found shelter, care, love, spiritual nurture as well as caring in academics. Numerous students from this hostel are now in high portfolio and many others are leading a successful life. This hostel has been not only a shelter but a place where one's life was built with full care, concern and prayer.

Sports: There are four houses in the school under the name Ruby (Red), Sapphire (Blue), Emerald (Green) & Topaz (Yellow).

Logo and Motto of the Houses:

Ruby House - "Radiance with Faith & Love"

Sapphire House - "Love with Peace & Liberty"

Emerald House - "Growth for Prosperity with Serenity"

Topaz House - "Shine for Justice with Honesty"

Ursula is well known for Sports for District as well as National level. Various sports played by the students are Football, Hockey, Throwball, Kabaddi, Karate, Boxing, Fencing, Chess, etc, where the students have set a benchmark and have been called as Sports Champs.

SCHOOL GROUND

Extracurricular Activities: To bring about the overall development of the students opportunity to participate in drama, dance, singing, art & craft, painting, elocution, field visits, excursions and many more are frequently created where the students are encouraged to hone their skills and talents.

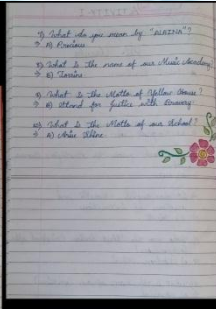

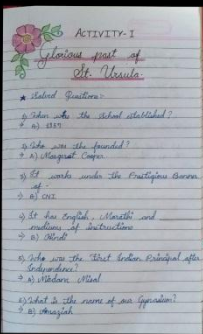

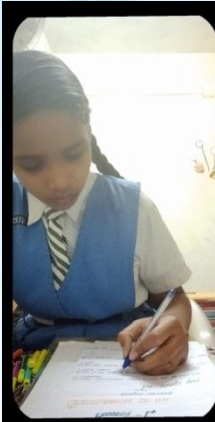

British Council Project: To inculcate the international dimension in the students and to make them aware of global aspect, various projects are designed in combination with the curriculum. The school also has been awarded with the prestigious International School Award not once but twice, which is a great matter of pride.

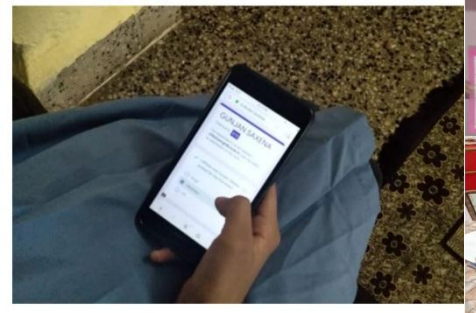

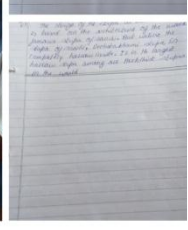

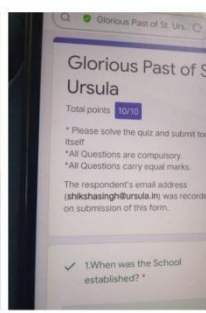

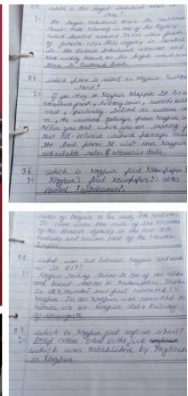

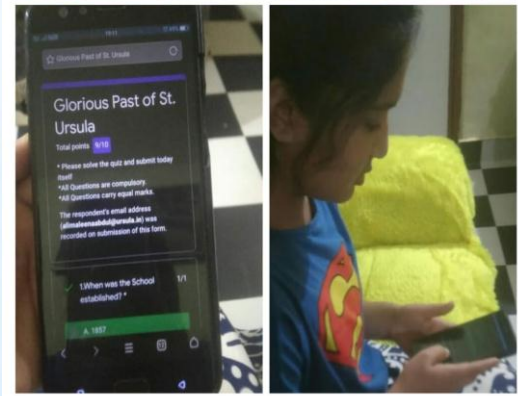

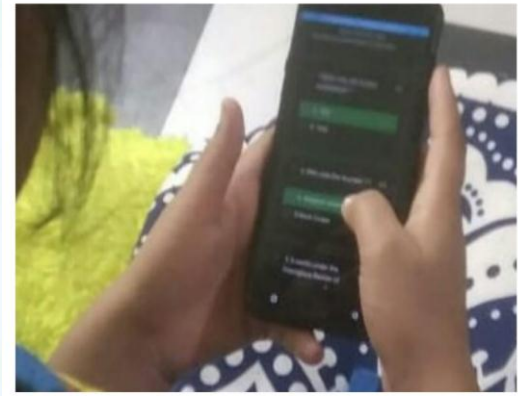

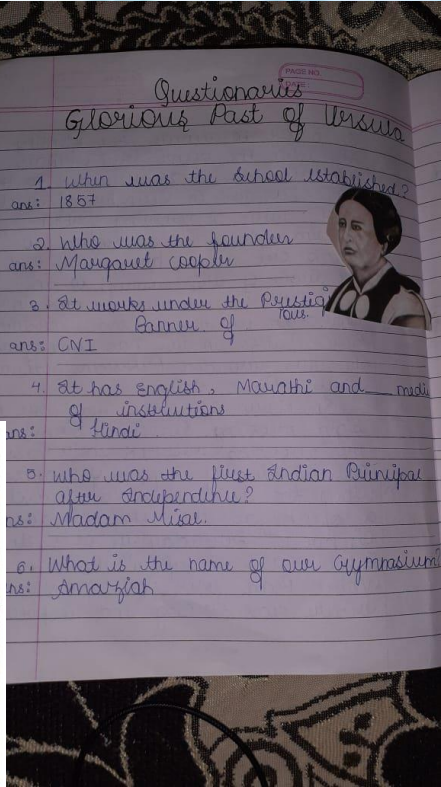

Special Wings: The school has NCC, R.S.P. Guide, Social Service, M.C.C., P.T.A., Chica, Heritage Club and Rotary Interact Club wings where the students learn discipline, teamwork, dedication, learning the characteristics of an ideal citizen shouldering the responsibility of serving the country.

The school premises is utilized for other educational purpose as the Open University YCMOU has its Centre in St. Ursula which caters B.A. & B.Com.

We pray as the institution is situated at the heart of the country, the fire of knowledge, the sparks of spiritual truth may always kindle and spread from this very place in all the directions. Ursula has been always instrumental in shaping up the lives of the students and believes in their holistic development. With the blessings of the Almighty, the school hopes to continue the noble cause. The school has a clear vision of arising brighter and shining for the cause of the Lord, as its motto says, "ARISE SHINE".

Speeches of eminent personalities

Nurturing the young minds of students through positive thoughts is the need of the hour. History department designed an activity wherein the students were asked to search on the internet the speeches delivered by Mother Teresa, Pandit Jawaharlal Nehru, Malala Yusafzai, Barak Obama, Ratan Tata and Steve Jobs. The students were instructed to write, summarize, and imbibe the optimistic and constructive thoughts of these renowned personalities who have made a difference in the world with their outstanding contribution. The activity was conducted class-wise.

Speech On Ratan Tata

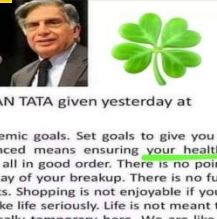

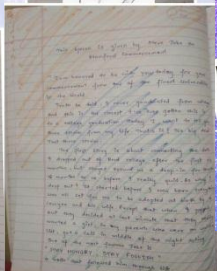

Superb Speech by MR. RATAN TATA given yesterday at Symbiosis, Pune.

Don't have career or academic goals. Set goals to give you a balanced, successful life. Balanced means ensuring your health, relationships, mental peace are all in good order. There is no point of getting a promotion on the day of your breakup. There is no fun in driving a car if your back hurts. Shopping is not enjoyable if your mind is full of tensions. Don't take life seriously. Life is not meant to be taken seriously, as we are really temporary here. We are like a prepaid card with limited validity. If we are lucky, we may last another 50 years. And 50 years is just 2,500 weekends. Do we really need to get so worked up? ...It's OK, Bunk few classes, score low in couple of papers, take leave from work, fall in love, fight a little with ur spouse... It's ok... We are people, not programmed devices.!

"Don't be serious, enjoy life as it comes"

Do Share it with all the Good People In ur Life...

MALALA YOUSAFZAI SPEECH

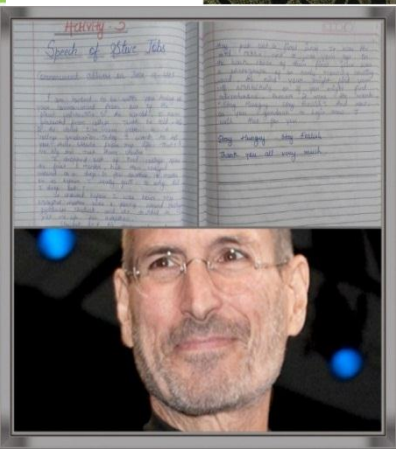

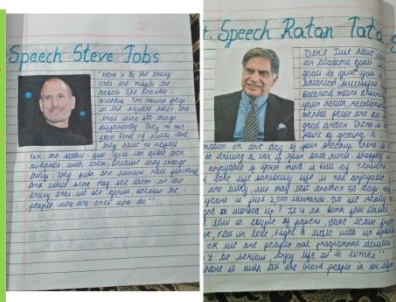

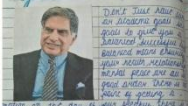

Long years ago we made a tryst with destiny, and now the time comes when we shall redeem our pledge, not wholly or in full measure, but very substantially. At the stroke of the midnight hour, when the world sleeps, India will awake to life and freedom. A moment comes, which comes but rarely in history, when we step out from the old to the new, when an age ends, and when the soul of a nation, long suppressed, finds utterance...

...The ambition of the greatest man of our generation has been to wipe every tear from every eye. That may be beyond us, but so long as there are tears and suffering, so long our work will not be over. And so we have to labour and to work, and work hard, to give reality to our dreams. Those dreams are for India, but they are also for the world."

“Know your Roots”

A unique activity was conducted by the History Department, “Know your Roots”, wherein the students researched about their own family ancestors. The students enthusiastically enquired their parents and grandparents about their forefathers and prepared a family tree, which brought to light the wonderful history of their family. Through this activity, the students were instilled with the value of family bonding, love and respect for their family. They stuck photographs, wrote the names and their relationship with the family members which they enjoyed very much, and would preserve the family tree for the generations to come. The activity was monitored by the History teachers.

The Parliament, its functioning, names of current cabinet ministers

It is important to spread awareness regarding the political affair and its significance among the students. To develop interest and awareness about the same, the History Department conducted an activity where the students researched about the Parliament which consists of two houses, i.e., Lok Sabha and Rajya Sabha, its functioning and the names and portfolios of the current cabinet ministers. The students actively participated in this activity moving one step forward towards becoming a vigilant and responsible citizen of our country. The activity was conducted online by the History teachers.

List of important days in March 2021

• March 11 - Mahashivratri -

It is a major festival in Hinduism and this festival is solemn and marks a remembrance of "overcoming darkness and ignorance" in life and the world. It is observed by remembering Shiva and chanting prayers, fasting, and meditating on ethics and virtues such as honesty, non-injury to others, charity, forgiveness, and the discovery of Shiva. The ardent devotees keep awake all night. Others visit one of the Shiva temples or go on pilgrimage to Jyotirlingams. This is an ancient Hindu festival whose origin date is unknown.

• March 29 - Holi -

Holi is a popular ancient Hindu festival, also known as the "festival of spring", the "festival of colours", and the "festival of love".The festival signifies the triumph of good over evil.It originated and is predominantly celebrated in India, but has also spread to other regions of Asia and parts of the Western world through the diaspora from the Indian subcontinent.

Holi celebrates the arrival of spring, the end of winter, the blossoming of love, and for many it's a festive day to meet others, play and laugh, forget and forgive, and repair broken relationships.The festival also celebrates the beginning of a good spring harvest season.It lasts for a night and a day, starting on the evening of the Purnima(Full Moon day) falling in the Hindu calendar month of Phalguna, which falls around middle of March in the Gregorian calendar. The first evening is known as Holika Dahan (burning of demon holika) or Chhoti Holi and the following day as Holi, Rangwali Holi, Dhuleti, Dhulandi, or Phagwah.

Geography has made us neighbors. History has made us friends. Economics has made us partners, and necessity has made us allies. Those whom God has so joined together, let no man put asunder.
